About Jaegendorfer USA

Jaegendorfer USA is now part of Nevada Hobby Distributors, in the beautiful region of Reno, Nevada. All of our products are all engineered in Austria. We are dedicated to bringing the best winter models of Aerial Tramways, Ski-Lifts, Gondola Systems, Pistenbulies, Figures, Dolls and Accessories to the North American Market.

Ski Resorts can make a lasting impression, increase brand awareness, broaden their marketing out-reach and best of all increase sales by customizing Jaegendorfer products; Ski-lifts, Gondolas, Aerial Tramways, Keychains etc. with their own ski resort logos printed on them.

Ski enthusiasts can recreate memories from their winter vacation, enrich a train layout and operate an interesting display for home or office during the holiday season. These prototypical winter models are ideal for collecting memorabilia from your favorite ski resort and make ideal gifts for parties, weddings and corporate events.

SKI LIFTS & TRAMWAYS

The Dopplmayr/Garaventa Group is the market leader in ski lift systems with over 14,000 systems in 92 countries around the world.

The SILVER Compact Set Edition is the affordable starter set for all fans, ideal for small spaces.

The GOLD Play Set Edition is the smaller sister of the Pro-Set.

The PLATINUM Pro Set Edition is the ultimate build-out ski lift system with base and mountain stations.

*All Dopplmayr/Garaventa products (Bases, Chairs, Towers and other accessories after fitting) are compatible with these entry models.
